WB 24th April 2017

This Week at Park Hill

Dear Parents,

Welcome to the start of the Summer Term 2017. I do hope that you spent some quality time together over Easter and managed to have a good break. It was great to welcome the children back into school on Monday and to catch up with a few of them about some of the adventures over the last fortnight.

Welcome too to our launch of a new School Newsletter. Our aim is to maintain a fortnightly newsletter which we will make available on the school website. I want to share good news stories with you in order to give you a 'flavour' of life at Park Hill.

The Summer Term is always a very busy one in school - it is such a hive of activity and there is a lot to look forward to. It is such a big and important term for our Year 6 children especially. As well as it being their final term at Park Hill before heading to their secondary schools, the children have their SATs to complete and also a residential to Dol y Moch before they leave. They will have an amazing final term!

[Look out for announcements about Sports Days and other events taking place around school over the course of the term and please keep Saturday 17 June earmarked for the PTA Summer Fair.](#)

Looking forward to seeing you in and around school over the course of the term.

Mr Griffin

PSHE Jigsaw Assembly 24/04/17

On Monday 24th April, our new Jigsaw theme - Relationships - was introduced to the children during assembly. The children were asked to think of the ingredients for a good friend, which ranged from 'always being there for them' to 'making them laugh!'

In their lessons, each year group will be looking at a different aspect - year 4 and 6 will be looking at grief and loss, so this may be something that your child/children may want to discuss further with you at home. Other year groups will be looking at topics such as how to keep yourself safe, families and stereotyping.

We will be watching for Jigsaw Stars who show the qualities required to be a good friend and extend the hand of friendship to others.

PTA Messages

We have some exciting events planned this term:

1 May - Party in the Park, Allesley Green. This local community fun day is always very popular. Come along and support our "Chocolate Tombola" stall. The event runs from 1pm-4pm.

19 May - Beer Tasting Experience. Save the date! Further information to follow.

17 June - Summer Fair. Our biggest fund-raiser of the year. If you would like to have a stall or advertise in our entrance programme please let us know. We are planning an exciting array of activities but we will need your help to set up and run these stalls. Please let us know how you can help. Even half an hour could make all the difference.

The Sport Zone

Firstly, I would like to congratulate the Year 5 and 6 swimmers that took part in a Gala at the Xcel Leisure Centre before half term. They competed against five other schools through a range of disciplines and showed fantastic determination throughout. At the end of the Spring Term, both Key Stage 1 and 2 took part in an inter-school dodgeball competition. The points from each year group were collated together and the winners were...Spencer! Well done to everyone that took part - It was brilliant to witness the commitment, teamwork and enjoyment throughout all of the matches. Looking forward to the Summer Term, we are very pleased to be hosting **17 clubs** each week, including a range of new activities. I am very proud to see so many children taking part in extra-curricular activities, however there are still spaces so please visit www.clubsforschools.org. Thank you for your continued support.

Mr Hammond.
