Issue 6

WB 10th July 2017

This Week at Park Hill

I cannot believe that we have almost arrived at the end of a new year here at Park Hill. The time has raced by! The children are very excited as they have met their new class teachers from September and are preparing to move on. Hopefully, today you will have received your child's end of year report and enjoying learning more about your child's successes and achievements. I have enjoyed reading all of the reports, writing my comments and sharing my views. Moving forward and readiness for September, new staff have visited school and have familiarised themselves with some of the children. Already, I have a sense that the staff are looking forward and making plans for the children.

It will be an epic week for our Year 6 children as they prepare to say goodbye before moving on to their new schools. I am looking forward to the Leaver's Assembly on Thursday morning - sharing with them their final assembly at school.

I am hoping to see many of you around over the next week but if I do not, I would like to wish you all a very happy Summer Holiday break. The children return to school on **Tuesday 5 September 2017** from 8:45.

Mr Griffin

Other News

Staffing update

I would like to share some exciting news with you all regarding **Mr Lawrence** who is currently Year 5 class teacher and Assistant Head Teacher within school. From September 2017 and for the start of the new academic year, Mr Lawrence will become a Deputy Head Teacher and he has gained promotion. This means that as our school continues to expand, both he and Mrs Bailey will support me to lead and manage the staff and children at Park Hill. As well as this, Mr Lawrence has some exciting plans for the development of the curriculum and plans for to make this even more exciting and vibrant for the children.

I welcome his appointment and I am delighted to share this news with you.

Mr Griffin

Thank you to all of those who attended the 'Coffee and Chat' morning for parents of children with additional needs. Some really useful discussions took place and thank you to Kellie Jones from the 'One Voice' parent group who came along to speak. New dates for sessions from September will be sent out to parents shortly.

Mrs King

Inclusion and Additional Needs Leader

Use of the musical play equipment on the slope to playgroup

As a school we try hard to work in partnership with the school community and residents living nearby. We have recently had several complaints regarding the noise from the musical play equipment at the end of the KS1 playground. Obviously, during the school day the children have access to this equipment and use it at playtimes and lunchtimes. Before and after school, staff are not on duty and so as parents we are asking if you could be mindful of the use of this equipment at these times. We do have to appreciate that some people do have to work shifts and may not be up as early as ourselves during the week.

Thank you for your support with this matter.

Mrs Bailey

PTA Messages

We've reached the end of another school year and another very successful year of fund-raising. Thank you so much for all your support - we couldn't do it without you. Just to let you know ...

Class Photos - Class photos will be available for collection from your child's classroom during the "Come and Share" event on Friday 14th July. Any which are not claimed at that time will be sent home with children as soon as possible thereafter. We hope you will be delighted with the photos, but if you have any problems with them please do let us know (contact details below).

AGM - The Annual General Meeting of the PTA will be held on Wednesday 20th September. A number of current committee members will be stepping down at this time so there will be several positions to fill. If you are interested in joining the committee or just coming along to see what it's about, do join us on 20th September at 7pm.

Have a wonderful summer!

The Sport Zone

Firstly, I would like to say a huge well done to all of the children at Park Hill for their continued involvement in sport and PE throughout the year. This term, over 200 children have registered to take part in extra-curricular activities and there have been a total of 20 clubs on offer (including Eco, Drama and Art). Some highlights from this year include Sports Day, 'The Body Coach' HIIT session, the school football team reaching the quarter finals of the Ben Whelan cup, Year 5 playing football at the Ricoh at half time, Year 2 attending a multi-sports competition, Year 6 taking part in the Premier League Primary Stars project, the Key Stage 2 dancers performing at the Albany Theatre and the introduction of inter-school house competitions. I am so proud to be part of a school that is so enthusiastic to take part in sport. Moving forward, we will continue to offer a variety of opportunities for children to take part in sport and compete both inside and outside of school. I would like to take the opportunity to say thank you to all of the coaches and volunteers who deliver the sessions come rain or shine. In addition, thank you to all parents for transporting children to competitions and supporting the children in everything they have taken part in. On another note, our final total for Sainsbury's Get Active Vouchers was 29,920! Thank you for collecting them and supporting the school. From this, we have been able to restock a lot of the equipment for PE and lunch time activities. Thank you to the girls in 4H who spent many lunch times counting them, too!

Have a wonderful summer and make sure you head out to the park, get on your bikes and keep active!

Mr Hammond
