

English Through the term we will develop our writing, reading, speaking and listening skills through a variety of genres including Greek Myths, Non-Chronological Reports and Recounts. We started the term with a short story 'Alma', and the children have loved interpreting the story and continuing it!	Art & Design We will be drawing figures and sculpture based on the work of Giacometti.	Topic Our topic for this term is the Ancient Greeks. We will look at various aspect of Ancient Greek civilisation including democracy, daily life, warfare and the Olympics	Physical Education Every Monday, we will go to the Xcel for swimming and a Games lesson. For the first half term, we will also have Cricket coaching every Thursday afternoon.	
Mathematics Over the course of the term in Maths, we will continue to look at place value including negative numbers, the 4 operations, fractions, decimals, measures, properties of shape, direction and movement including translation and reflection and statistics, including timetables and data.	Design and Technology We will be making Greek vases with a wax resist design.	Year 5 Spring Curriculum Plan		ICT This term we are looking at recording sounds, and will be making our own Podcast... watch this space!
Science We will be learning about 'Properties of Materials' and 'Forces'. The children will be using investigations skills to challenge predictions and find out more about the world around them.	French We will continue to develop our basic speaking and listening skills and develop more complex conversation skills.			Music We will be using percussion instruments to follow rhythms and will be composing our own pieces of music.
	PSHE Continuing from the whole school "jigsaw" focus, this term we will look at dreams and goals, then being healthy
