Dear parents / guardians,

As you may know, children within school have signed up to take part in 'The Children's Mile' in association with the Coventry Half Marathon. In total, 111 children have signed up for the event! (More information will be sent to you in due course if you are taking part.)

What happens next?

Every child within school is going to be set a 'Miles 4 Money' challenge throughout the remainder of the Spring Term, even if they are not taking part in the Children's Mile itself. Each week, all children will run around our mile track on the lower playground and log their laps or miles for their class. The aim is to run a half-marathon either as a class, in small groups or individually, depending on the year group.

Alongside running miles, we would like all children in school to gain sponsorship for the miles they will be running within school in order to raise money for local charities and the sports pitch. School will receive 50% of the money raised by the children and it will be added to our totalizer.

**All children return their sponsorship forms with the money raised by Thursday
22nd March.**

To view our new Neighbourly page, please visit www.neighbourly.com/parkhillprimary and follow the account so that we can raise the profile of our fundraising target. You also have the capacity to donate online, but please note, this will be a separate donation to the money raised by the children. Don't forget to keep up to date with news from school by following @ParkHillSport on Twitter!

Thank you for your continued support.
