Park Hill has a wonderful garden space which needs our attention.

This year we will be redeveloping the garden to become 'Park Hill's Peace Garden'

A garden full of colour and outdoor learning opportunities.

Do you want to burn off any mince pies from Christmas?

Can you help us to develop our garden by clearing out the weeds, rubble and unwanted nettles?

Please come along and help us!

You will need to bring spades or other tools that you have and wear warm clothes and gloves.

If you are able to come to the garden clear out event please can you complete the slip below and return it to Mrs Roper ASAP.
