15th May 2019

Dear Parents and carers,

We have arranged a visit from an animal handler for the 14th June. The presenter will bring a range of exotic animals including spiders, snakes, cockroaches, a baby fox, owls and a honey bear.

The children will all have the opportunity (if they want to) to hold each of the animals, find out where they come from and how they are cared for. This will support the Early Years topic of understanding the world, caring for animals and living things. For Key Stage One this will support their creative writing giving them real world experiences to write about.

In addition, for all children it will be a nice reward at the end of the year for all their hard work!

Please speak to a member of staff if you have any questions about this activity or if your child has any allergies that might affect them joining in on the day.

In order to run this activity, we require a small contribution from parents/carers of £2.25 please. Without your kind donations we would not be able to run these exciting experiences.

Kind regards,

Mrs McBride
Reception Class Teacher
Park Hill Primary School

14th June 2019

I would like my child _____ (insert name here)
Class _____ to participate in the Animal Man experience.

I enclose £2.25 towards the cost of the experience.
