

Hi everyone,

As you may have heard, the circus is coming to Park Hill in September. Have you booked your tickets yet? We are so excited to be able to offer this event to the Park Hill community.

In order for us to secure the big top attraction we need to sell a required amount of tickets. It currently is looking like we are not going to reach this target. We would hate to cancel what is set to be a fun packed event. On Sunday, we will need to make the decision either way.

This is where we need your help please. Please let us know if you are planning to buy tickets, book tickets (see Facebook events page for details). You can let us know by messaging us on the PTA events page.

Once we have made our decision we will let you know.

Thank you in anticipation of your support.

Park Hill PTA.
