Headteacher: Mr P Griffin

Dear Parents and Carers,

As part of the Design and Technology Curriculum, the children are required to practise their cooking skills and develop their knowledge about healthy eating. We are committed to providing the children with exciting and memorable learning opportunities. Next week, we are hoping to have a cooking focus to make our children into 'Masterchefs'!

We would like the children to plan and make a three-course meal of their own design for a Year One Dinner Party, on **Friday 5<sup>th</sup> July**. On the Friday, the children would be allowed to bring in their own party clothes (which you don't mind potentially getting a little dirty with food) to wear for our formal dinner party in the afternoon, where the children would sample the meals they had prepared.

In order for this to happen, we are asking for a voluntary contribution of £1 to help us buy the ingredients for the children's recipes. If you are happy to contribute, please could you bring in **£1 in an envelope** by **Wednesday 3<sup>rd</sup> July**. We think the children would come up with some incredible ideas, and are excited for an opportunity to really develop their cooking skills.

Thank you for your ongoing support,

The Year One Team 😊
