Dear Parents,

I am writing to share with you some exciting work that we will be delivering with your year 6 children around transition to secondary school.

We will be coming to your child's school over the next half term and working with the children in small groups with a focus on the following areas:

- Open discussion around the things they are excited about and any worries the children have about secondary school,
- Self Esteem and Emotional Well Being
- Friendships and Managing Disagreements
- Online Safety

Within the work we hope to dispel many myths about secondary school, open up discussions, encourage awareness of their safety and how to manage different situations.

Prior to the sessions it may be a good idea to have a chat with your child about any worries they have and explain that they can discuss these with us at the workshops.

Following on from this we will offer some parent workshops at the Family Hubs, where we will cover some of the above with yourselves and also share information and advice to help you as parents with this big change in your child's life.

If you have any questions about the above, please feel free to contact us at the family hub.

Kind Regards,

*S L Burke*

Sarah Burke.  
Family Hub Supervisor.
