Dear parents/carers,

As we approach another spell of warmer weather for the remaining two weeks please see the below information about sun lotion and hats.

We expect all children to wear a hat when playing outside, whilst we have some hats available for children, please try to make sure that your child has a **named** hat with them each day.

For children who are staying all day we will apply sun cream at lunchtime if you sign the below reply slip. We will apply Boots Soltan Sensitive Children's Sun Lotion (spf 50+) to all children unless you advise otherwise.

If children are attending for half a day we expect children to come to pre-school with sun cream already applied and we **will not** be applying sun cream during the morning or afternoon session.

Kind regards,

Mrs Phillips

OAKS or ACORNS

I am happy for my child to have sun cream applied at lunchtime

My child will not need sun cream as they will have all day sun cream put on at home
