Headteacher: Mr P Griffin

Dear parents/carers,

We hope you are looking forward to a lovely summer holiday with your children.

We are very excited to welcome your children into Year 3 in September and can't wait to start our year together.

In Year 3 the children will complete weekly homework which will be sent home after the first week back in school. The children will also receive a reading book and diary to help them record any reading that they complete at home.

For the children's school day, they will need a water bottle for the classroom and should also bring their reading books in daily to allow them to change their books when they wish.

The Year 3 teachers are Mr Hammond and Mrs Roper and they will also be supported by middle school support staff: Miss Tatham, Mrs Mould and Miss Court.

The children will be familiar with their classrooms and their playgrounds from our time together on their transition day, however we know that there is a lot for them to get used to so we will remind them of where things are to help them to feel settled.

We would love to have an insight into the children's interests over the holiday and would like them to complete a book review (attached). The children can choose a book of their choice that they have not read before and complete the page below to share what they thought about the book. The children can design and complete their own book review if they prefer.

The children in Year 3 will receive logins for their 'Times Tables Rockstars' which will allow them to practise their times tables through games and competitions. We will also continue to use class dojo so that we can keep in contact with you about your children.

Finally, Year 3 have the opportunity to attend swimming lessons to meet the Year 3 P.E. curriculum. Each class will attend swimming lessons on Friday afternoons for half of the year (A term and a half). 3AH will start and they will attend lessons until Spring Half term. The lessons take place at the Xcel centre and further information will be sent out to the children in September.

We hope that you have a wonderful summer holiday and we are looking forward to September.

Best wishes

Mrs Roper and Mr Hammond

Book Review
