Headteacher: Mr P Griffin

Dear Parents,

In order to prepare for the next academic year we would like **all reading books including the home reading books and the Read, Write, Inc books** in school on Monday 15th July for us to collect in.

We will be sending your child's home reading log to their new teacher so that this log can continue next year.

I would like to take this opportunity to thank you for your support with your child's reading journey in Reception and KS1. We have had some fantastic results this year and the children have worked hard to improve their reading throughout the year.

We are excited about further projects in 2019/20 where we plan to further our work on developing children's *love of reading*; whilst continuing to support them with becoming fluent readers.

To 'kick start' our work on reading in September we have set the following summer challenge for all children currently in Reception, Year 1 and Year 2.

1. Take a picture of your child reading in **one** unusual place (we will have a prize for each class for the most creative)
2. Support your child with reading their favourite book (ensure this is an age appropriate and challenging book)
3. On an A4 piece of paper create a book review, poster or collage all about the book (Get Creative!!!)

Please bring this in with them on the first day back at school (Tuesday 3rd September) so we can display them in the classroom. This will also form a nice transition activity as your child gets to know their new teacher.

If I do not see you before, I hope you have a lovely summer break and I will see lots of you in September.

Miss Norcliffe
