Thursday 5<sup>th</sup> September

Dear Parents/carers,

I hope you had a wonderful Summer holiday.

The Eco club will take place every **Tuesday** starting on **Tuesday 17<sup>th</sup> September**. The meetings will take place after school from 3.30pm to 4.30pm in class 3R.

This half term will be the start of Park Hill's Eco team. The club will run from September to October and will continue again in January. The Eco team will focus on environmental education: recycling, forest school activities and redeveloping the school's garden. The children will develop their social skills, enhance their experiences of learning outdoors and also increase their knowledge of ways to help the environment.

If your child is in Years 2 – 6 and would like to attend the Eco club, please return the slip below.

As the club involves outdoor activities and the use of gardening tools, numbers are restricted and they will be allocated on a first come, first serve basis. No more slips will be accepted after Tuesday 10<sup>th</sup> September.

To help towards events, and resources needed over the term, please can I ask for a **voluntary contribution** of £1.50 each meeting which will be used to help fund activities and events.

Thank you for your interest

I look forward to receiving your replies.

Best wishes

Mrs Roper
