Headteacher: Mr P Griffin

Dear Parents and carers,

We are truly experiencing uncertain times at the moment. I know that there are so many questions and very little answers at the moment in relation to the Coronavirus.

Until I am guided to otherwise, Park Hill remains **open** and is **operating as usual**. I am in regular contact with the local authority and other head teachers across the city and so far am pleased to report to you that Park Hill is faring well - the vast majority of children are in school and lots of learning is going on. Of course, we are all affected by what is going on across the world and the uncertainty is not pleasant. This is a new experience for us all.

Good communication is crucial and because of this fact that the Leadership at school have increased the frequency of meeting - we are currently meeting daily to raise questions and to problem solve answers together.

There has been talk in the media about school closures. In the eventuality of school closing, we are making plans to maintain some degree of momentum. Staff who are able to do so will be working from home and teachers intend to set work for children. At the moment, our focus is on the day to day care of the children and responding to any advice and guidance given by the Government and Local Authority.

I accept that there are some parents who have decided to keep their children at home and I understand that it is their prerogative to do so. However, we are not in a position to send work home for children at the moment in these cases - our time will remain on day to day management and a plan if there are closures.

I very much hope that this update is useful for you all.

Thank you for your support - hope to be back in touch again very soon.

Take care all.

Kind regards,

**Mr P Griffin**
