23rd September 2020

Dear parents and carers,

I have been delighted with how well the children have settled back into 'life at school' - how happy they appear and how they have adjusted to the changes around social distancing. We are approaching the end of Week 4 and I am quietly hoping for the continuation of the positivity.

That said, I wish to share news measures taken earlier today affecting our Pre-school children - those children within Oaks and Acorns.

I have been made aware that a member of the **Pre-school Staff** has been contacted by 'Test and Trace' and after taking advice, as a precaution, taken the decision to close our Pre-school setting with effect from tomorrow, **24 September**. It will reopen on **Monday 5 October**.

The children **have not been in close contact** with anyone who has tested positive and therefore they do not need to self-isolate or have a test - unless they develop symptoms as per standard guidelines.

I appreciate that this decision may unsettle you - the precautionary measure was not taken lightly and was carefully considered.

Whilst Oaks and Acorns is closed to children, the remainder of the school is fully open for all other children from Year Reception through to Year Six. The siblings of children in Oaks and Acorns should still attend school as usual.

Regards,

Paul Griffin
