Dear Parents,

Unfortunately I have to confirm that Park Hill Primary School has registered it's first case of COVID-19 in Key Stage 1. As a result of this I have sought advice from Public Health England (PHE) around the next steps for both the staff and children at the school.

At the moment, this appears to be an isolated case. In consultation with PHE I have taken the decision to send the affected class home - the staff and class teachers will be self-isolating for 14 days.

Thank you for your continued support and any further updates will be sent via e-mail.

Kind regards

Paul Griffin
