15th October

Remote Learning

Dear Parents,

Currently, we continue to experience uncertainty and regular changes to the Government restrictions and guidelines in response to the Covid-19 outbreak. Unfortunately, this means pupils are experiencing periods of absence from school, whilst we all work together to keep our school community safe. In response to this, I would like to outline the changes we are implementing to ensure all Park Hill pupils continue to receive the education they deserve. These changes come into effect from **Monday 19th October**.

Pupils Who Are Self-isolating

In the event that your child is required to isolate, you will be receive a weekly timetable with daily:

- Reading skills tasks
- English skills tasks
- Maths (White Rose Tasks)
- Tasks linked to the current theme.

These activities will mirror the learning taking place in school, so your child will not miss any learning taking place.

Class/Year Group Bubble Closure

In the event your child's Class/Year Group Bubble closes, you will receive a weekly timetable with daily:

- Reading
- English
- Maths activities
- Thematic lessons

These tasks will be a "home version" of the learning that would have taken place in school. Year group staff, who are also working remotely, will be able to support your child during school hours.

Local/National Closure

If a local/national closure was implemented, school do have a plan in place but guidance on remote learning arrangements will be communicated at the time, to reflect the government guidance issued.

Delivery of Remote Learning

All timetables, planning and resources will be delivered through:

- Tapestry (Pre School and Reception)
- ClassDojo (Years 1-6)

There is a requirement that you return the work via the same system.

Thank you for your continued support.

Mrs Mann
Remote Learning Coordinator
