ClassDojo for Pre School

Dear Parents,

Using feedback we have received from parents, we have decided to implement **ClassDojo** for our Pre School classes. **ClassDojo** is an only learning platform which is used throughout the school to support parental communication and remote learning.

In Pre School, we will be using this system as a means of communication only. The benefits for communication are:

- direct messaging between home and Pre School staff
- whole school message and reminders will appear on the Class Story.

Attached is the booklet "ClassDojo" at Park Hill (Pre School)" which explains the setup process and features of the system. You will receive an email invitation to ClassDojo this afternoon, on the email account used when you registered your child at Park Hill.

Please Note

We will continue to use Tapestry to record and track child's progress through the early year curriculum. Please continued to upload you child's work and pictures to Tapestry in the same manner.

Thank you for your continued support.

Mrs Hiskett
