

Maths in the Primary School

A Family Learning course for parents

These free sessions are for parents/carers with children in Reception, Year 1, Year 2, Year 3 or Year 4.

We will:

- Explain the maths methods currently used at British schools
- Explain what maths children need to know in which year group
- Learn maths phrases your children use in school, such as 'partitioning' and 'place value'
- Give you resources and games/apps for your children

Where: There are 3 maths courses this Spring Term:

- An online course to download and watch wherever and whenever suits you
- A face to face course at Southfields Old School, Hillfields on Wednesdays 9.30-11.30am
- A face to face course at Southfields Old School, Hillfields on Thursdays 12.30-2.30pm

When: Week beginning 11/1/20, lasting for 10 weeks

How: Enrol through the QR code, or search for 'Family Learning' on our website
