Remote Learning **LIVE Sessions**

Dear Parents,

Firstly, I would like to praise all our Park Hill children for adapting to the changes to routines and Remote Learning so quickly, and thank all parents, grandparents and other family members who have enabled the learning to take place at home. The engagement and work being produced is fabulous!

I am pleased to announce, from **Wednesday 20th January** we will begin offering **LIVE teaching sessions for core subjects** in place of some of the pre-recorded lessons.

Changes

From next week, the timetables will include symbols which indicate if a session will be delivered live or will be a pre-recorded video. If there is no symbol, there is no video for the session. For example:

Year 3 Home Learning Timetable – Week Beginning 11/01/21

KEY:

Pre-recorded

Live Session

If a Live Session is scheduled, they will be delivered at the times stated below:

Key Stage 1	Maths	9:15am – 10:am
	English	11:10am – 11:45am
Key Stage 2	English	9:30am -10:30am
	Maths	11:15am – 12:00pm

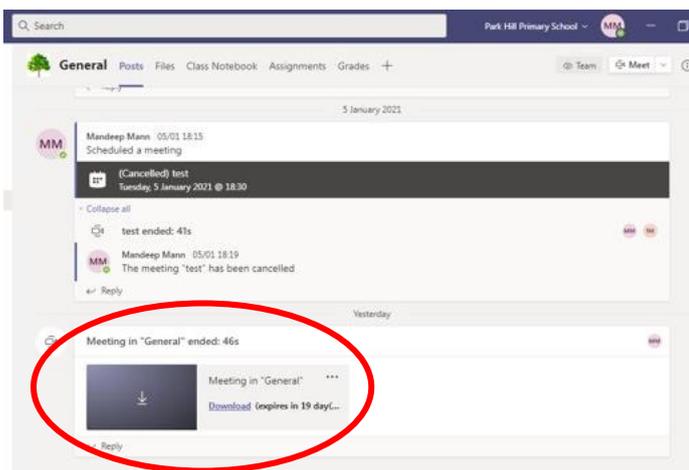

Please note: the length of the sessions will vary and may not take the whole hour.

During these sessions, teachers may:

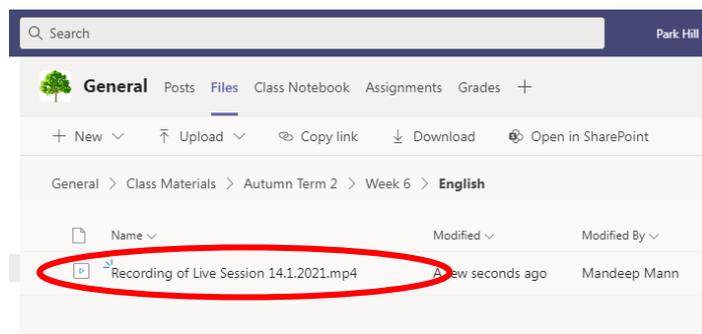

- teach new concepts
- explain the tasks
- address misconceptions
- share examples of work.

We acknowledge that families are supporting remote learning around their own work commitments or have multiple children at home. To support with this, all live teaching sessions will be recorded and made available to view on **"catchup"** shortly after the session finishes. You will be able to view these videos (dependent of the device you are using) either:

from the class chat screen

or the subject folder for that week

As Live Session recording will be available to pupils, it is important that **all cameras remain off during these sessions.**

Live Teaching Sessions will replace the morning meetings. We will continue to deliver afternoon Interactive Sessions, where children can have their cameras on and interact with their classmates and the team.

We are excited to more into this next phase of Remote Learning and interacting with pupils in live sessions.
