Park Hill Curriculum Presentations

Firstly, I would like to take this opportunity to thank you for your support towards Park Hill during this time. We understand the enormous pressures that families have had over this term and we are very much looking forward to being back together once again from Monday 8th March.

We have been impressed with how hard the children have continued to work and learning has certainly not stopped with children continuing to make great progress.

Please find links below to our Curriculum Presentations. Please take the time to listen carefully to the content as each video is only between 8 and 15 minutes long to cover key elements of the curriculum and make this relevant from your point of view as a parent. We are really looking forward to seeing you at the **LIVE Q and A sessions on Wednesday 10th March** and this will allow staff to elaborate on any elements of the presentation you would like more information about or answer any other questions. If you have a question you would like to send in beforehand that can be answered during the sessions, then please send this via dojo to the relevant class teacher OR you will be able to ask your question live during the session. It will be great to see as many of you as possible join the TEAMS session – invites will be sent to the children's accounts.

The LIVE Q and A sessions will take place on TEAMS at the following times – the meeting is likely to last longer than 15 minutes, but these staggered times will allow you to attend more than one meeting if needed.

Year 6 - 4pm
Year 4 - 4:15pm
Year 3 - 4:30pm
Year 1 - 4:45pm
Reception - 5:00pm
Year 5 - 5:15pm
Year 2 - 5:30pm

Please find the relevant links below where you can access the appropriate curriculum presentation.
