23rd April 2021

Dear Parents and carers,

I hope you are all well and you have had a fantastic Easter Holiday; it has been great to hear the children talk about their experiences.

It has been a busy week back in school, but the children have come back settled and there has been a 'buzz' of excitement in school. Launch days have been taking place and there have been children dressed up, searching for unicorns, and planning Victorian days (just to mention a few). Children are excited about their learning experiences! We know that sometimes these require input from yourselves so thank you for helping us to make these events special.

I am now able to share with you how we plan on reporting your child's successes to you this academic year. We have carefully considered how we can do this to ensure it reflects the past year. On Monday 21st June you will receive a written report from your child's class teacher. This will take a slightly different format from previous years. Following this across two evenings on Wednesday 23rd June and Wednesday 30th June there will be a parents' evening. Closer to the time we will send out communication so you can arrange a time for your meeting. It is likely that we will hold the meetings over TEAMS. If you have a question or concern about your child either academically or otherwise, ahead of this, then please contact your child's class teacher to arrange a meeting.

Over the Easter holiday our Pre School (Oaks) parents will have had the news on their Reception School place for September and we cannot wait to welcome parents and children in to school. Welcome packs have been sent out this week and we are delighted that we have a high intake again for September 2021. In September 2021, we are expanding our provision for Pre School aged children (aged 3 and 4) and will have two classes of Nursery children both led by teachers. Historically we have had waiting lists for our Nursery and hope that this means within the community we can fulfil these requests. We do offer before and after school club for our Nursery aged children from 7:30am and until 5:30pm. All 3-year-olds are entitled to a minimum of 15 hours of free funded education and many are entitled to 30 hours. If you have a child ready to start Nursery in September, then please do contact the school office for more information. You are welcome to share with family and friends who may also be interested that we are holding a Nursery Open Day on Saturday 8th May from 11am -1pm.

Operationally things seem to be going well at Park Hill and we would like to thank you for your support with drop off and collection etc. With regards to COVID Risk Assessments and guidance, for schools this all remains unchanged. We are expecting that as the road map continues and the 17th May fast approaches, we will have further updates.

As always, communication is important to us at Park Hill. We always urge that you get in touch if there is anything at all we can support with. Class teachers are contactable via class dojo (non-urgent only), our fantastic office team are always willing to help with general enquiries and you can get in touch with myself or Mr Griffin via the school office.

I hope you all enjoy what looks like it could be a sunny weekend

Warm regards,

Mr P Griffin, Headteacher and Miss A Norcliffe, Deputy Headteacher
Park Hill Primary School
Coventry
